Dear Teague Families,

I am excited to serve as the principal at Teague Elementary in Pasadena ISD. I am passionate about student safety, success, and care. I have 16 years of educational experience that shaped me into the leader I am today.

I worked as a classroom teacher and a campus instructional coach in Pasadena ISD. I also served as an assistant principal and a principal in Sheldon ISD. All these roles gave me the opportunity to work with amazing students, teachers, and staff. I am committed to excellence and integrity as a campus administrator.

As an instructional leader, I am committed to high levels of student achievement and success. The same way I want our students to have a growth mindset, I am dedicated to my own growth and continuous improvement.

I absolutely love our Pasadena ISD students, staff, and community. I am excited to work with our stakeholders and collaborate with our staff to support our students' success. I am grateful for the opportunity to serve as the principal at Teague Elementary. I cannot wait to start serving our Pasadena ISD community. If you have any questions or concerns do not hesitate to contact me at 713-740-0760. Go Tigers!

Sincerely,

Solmaria Benavides, Principal
