

PROGRAM LOCATIONS

Pasadena ISD

Teague Elementary | Stuchbery Elementary
Program start 1/10/2024

AFTER SCHOOL PROGRAM OVERVIEW

Premier Academy (PA), offers an opportunity for students at select schools to participate in an educational and continual learning atmosphere. The program will focus on providing expanded academic enrichment opportunities such as:

- Homework assistance to help children meet and exceed state and local academic achievement standards in core subjects such as reading, mathematics, science and social studies.
- A broad array of additional services, programs and activities including youth development, fine arts, technology, coding, STEM, social emotional learning, physical education, health and wellness and nutrition programs. Our educational after school programs are designed to reinforce and complement regular school day learning. Our PA program instills curiosity and excites learners to become even more resourceful so that they will continue to learn outside the normal school day.

Cost per student

Regular Rate - \$320 per month

Pasadena ISD Employee Rate - \$240 per month

Free/Reduced Lunch Rate - \$200 per month

Drop-In Rate: \$25 per day

*A 20% discount is offered for additional children in the same household.

Registration

PREMIER CHAMPIONS

I love the activities that are implemented with the children. They are conducive to learning as well as having fun. My daughter loves it.

- Premier Academy Parent

My daughter gets so excited to tell me about her adventures in Premier Academy. She loves the activities, the teachers & what she learns. Love it and thank you!

- Premier Academy Parent
